Instructions

Supplies Needed:
1. Home Printer
2. White Cardstock
3. Markers or Crayons
4. Scissors
5. Clear Tape

COLOR

CUT OUT AND FOLD

TAPE

Special Notes:

The stable comes on 2 pages. Color and then tape together, overlapping at the grey section.

Due to the size of the Stable and Trees, they won't be able to stand up by themselves. I recomend taping them to a piece of cardboard to create a backdrop.

Finally, the star is taped to the top of the stable and Baby Jesus is taped to the manger.
